

House Rules & Resident Handbook

Life House Reentry Inc. (dba “Life House”)

8399 Folsom Blvd, STE 1 #4014, Sacramento, CA 95826

Phone: 855-4-LIFEUP (855-454-3387) Email: info@lifehousereentry.org

Mission: Provide safe, structured housing and holistic life-design support for formerly incarcerated adults.

1. Program Overview

Life House is a non-clinical, sober, transitional housing and reentry program in Sacramento County serving adults returning from incarceration. Minimum stay is 90 days; maximum stay may extend up to 24 months based on progress, safety, and funding availability. We partner with referral sources including Parole/Probation, CDCR STOP providers, and Medi-Cal Managed Care Plans (CalAIM/ECM and Community Supports). Residents agree to follow this Handbook and individualized plans while working through Life House’s 7-Stage Model (Intake, Design, Training, Working, Overflow, Home/Rental Transition, Legacy).

2. Resident Rights & Responsibilities

Rights: safe and respectful housing; privacy; reasonable accommodations; freedom from harassment; fair grievance process; timely maintenance; receipts for payments; access to your plan; language access (English/Spanish). Responsibilities: follow house rules; maintain sobriety; complete chores; respect quiet hours; attend meetings; participate in planning; avoid threats, violence, contraband, or property damage.

3. Safety, Sobriety & Conduct Standards

Alcohol, illegal drugs, and non-prescribed controlled substances are prohibited on property. Residents consent to reasonable-cause and/or random testing as required by referral sources. Weapons and hazardous items are prohibited. No violence, threats, harassment, or intimidation. Report safety concerns immediately. Medication: residents self-administer; store safely; no sharing; Life House does not provide clinical medication management.

4. House Rules

Quiet hours 10:00 PM–6:00 AM; visitors by pre-approval only; no overnight guests without written authorization; curfew 10:00 PM during first 30 days unless work schedule requires otherwise; no smoking/vaping indoors; maintain clean spaces and complete chores; label food; room inspections may occur; service/assistance animals accommodated per law.

5. Financial Policy (Rent, Savings, Brokerage)

Upon income, residents contribute 30% of monthly income toward program rent/services. Of this, 25% (capped at \$1,500 total) is held as reimbursable savings paid at graduation; 5% goes to the resident’s personal brokerage/savings account. Contributions above the \$1,500 reimbursement cap are retained by Life House (‘Overflow’). Residents without income must actively pursue benefits/employment; staff assist within the first 72 hours. All payments are receipted; inability to pay alone will not cause exit while the resident is actively engaging in income steps.

6. Work, Education & Programs

Attend required case meetings; complete Life Design Curriculum; participate in financial literacy, credit repair, and job readiness workshops; actively apply to jobs/apprenticeships/training; report employment weekly and provide paystubs.

7. Property, Maintenance & Ticketing

Properties are leased by Life House from a third-party landlord. Submit maintenance requests via the in-app ticket system (like Yardi). Do not alter units without written approval. Report pests, leaks, or hazards promptly.

8. Technology & Data Privacy

Use Wi-Fi and devices lawfully. We apply HIPAA-grade practices to protect sensitive data although we are non-clinical. Do not share other residents’ information. Case notes and documents are stored securely; you may request copies as permitted.

Mission: Provide safe, structured housing and holistic life-design support for formerly incarcerated adults.

9. Grievances & Appeals

Raise concerns to your case manager or house lead within 24–48 hours. If unresolved, submit a written grievance to the Program Director; you will receive a written response within 7 business days. You may appeal to the Executive Director/Board designee. No retaliation.

10. Progressive Discipline & Discharge

Graduated responses may include verbal warnings, written plans, loss of privileges, and curfew adjustments. Immediate discharge may occur for violence, weapons, serious threats, or drug trafficking. When possible, a safe exit plan and warm handoff will be arranged.

11. Non-Discrimination & Accommodations

Life House provides equal access regardless of race, color, religion, sex, sexual orientation, gender identity/expression, national origin, age, disability, or veteran status. Request reasonable accommodations; we will engage in an interactive process.

12. Contacts

Main: 855-4-LIFEUP (855-454-3387) | Email: info@lifehousesreentry.org. Emergency: 911. For non-emergency issues, contact your case manager or house lead.
