Mission: Provide safe, structured housing and holistic life-design support for formerly incarcerated adults.

Who We Are

Life House Reentry Inc. (dba “Life House”) is a Sacramento-based 501(c)(3) providing non-clinical transitional housing and whole-person reentry support for adults returning from incarceration. We operate safe, sober homes and pair housing with life-design coaching, benefits enrollment, workforce pathways, and financial capability services.

Mission & Vision

Mission: Provide safe, structured housing and holistic life-design support for formerly incarcerated individuals, empowering reintegration with dignity, purpose, and financial independence. Vision: Break cycles of incarceration so every person returning home has access to healing, housing, work, and the opportunity to design a fulfilling life.

7-Stage Resident Transformation Model

1) Intake — assessment, stabilization, documents, benefits, initial plan. 2) Design — individualized goals, services map, accountability schedule. 3) Training — life skills, CBT-informed groups, education/certifications, financial literacy. 4) Working — job placement, income stabilization, 30% contribution (25% reimbursable savings cap \$1,500 + 5% brokerage). 5) Overflow — step-down independence, continued coaching, housing search. 6) Homeownership/Rental Transition — permanent housing secured; move-out readiness. 7) Legacy & Continued Support — alumni network, mentoring, aftercare check-ins.

Core Services (Non-Clinical)

Transitional housing (90–730 days); case management and life design planning; documents (ID/SSN) and benefits (Medi-Cal, CalFresh, GA, SSI/SSDI, CalWORKs); financial literacy and credit repair; job readiness, employer partnerships, apprenticeships/trades, GED/credentials; reentry basics (transportation, clothing, toiletries, phone, digital literacy); permanent housing navigation; maintenance ticketing, laundry & vending.

Referral Pathways & Funding Alignment

Referrals welcomed from Parole/Probation, STOP prime contractors, and Medi-Cal Managed Care Plans (CalAIM ECM & Community Supports). Clinical care is coordinated via licensed external providers; Life House is non-clinical.

Governance & Compliance

California Nonprofit Public Benefit Corporation; 501(c)(3) compliant; conflict-of-interest controls for related-party leases; HIPAA-grade privacy; ADA/Fair Housing compliance; data tracking for attendance, services, outcomes, and audit-ready reporting.
